The Board of Selectmen  
and Residents of The Town of Carroll

As of June 27, 2013, the Paws and Claws Pet Shelter closed due to unforeseen circumstances.

We would like to thank everyone for all of your donations from the time of our opening in 2010. After all of the bills are paid, any remaining money will be donated to the Upper Valley Humane Society in Enfield, NH. Though we adopted out close to twenty cats in the past two months, we still had fourteen in the Shelter and volunteers and staff from Enfield came last Thursday, at no cost to us, to get them.

Again, we thank the residents of town for all of their hard work on the Supper held on our behalf, as well as the many donations made to the Shelter.

Sincerely yours,

Scott and Leslie Sonia
