

According to NH RSA 41:11-d Restricting the Watering of Lawns-

This ordinance goes into effect whenever there is recognized that the town is under drought conditions. Effective within 3 days of the implementation of this ordinance all outside watering will stop until further notice.

The purpose of this ordinance is to ensure the use of water is regulated in a manner the Town of Carroll Selectboard deems to be in the best interest of the Town of Carroll, and they may use reasonable means to protect, preserve and maintain the public health, safety, and welfare when a water supply shortage exists.

The of Carroll Selectboard (Town of Carroll Water Commission) adopts this Ordinance under its authority to regulate public water systems under RSA 38:26.

The requirements of this section shall apply to all water users with connections receiving water from Town of Carroll Water System
